

HOW TO PLAY

MONSTER MUTILLER

Welcome to Monsterville, a captivating world where collecting gold and raising monsters is at the heart of the game! With its nostalgic 2D pixel art, Monsterville lets players earn gold through simple taps, complete daily quests, and level up their monsters. Whether you're hatching eggs, collecting rare monsters, or climbing the leaderboards, Monsterville keeps things fun and engaging with new content added regularly. Log in daily and start playing with ease!

NAKAMOTO.GAMES

TAN

1. GETTING STARTED

- Upon entering the game, meet the wizard who will guide you through the tutorial.
- Learn to collect elemental gems, hatch eggs, and receive your first Monster to start your adventure.

2. COLLECTING GEMS

- Tap on the element of your choice to collect gems:
 -  Earth (Yellow)
 -  Water (Blue)
 -  Wind (Green)
 -  Fire (Red)
- Collected gems will be stored for use in hatching.

3. HATCHING YOUR FIRST MONSTER

1. Open the **Hatching Screen** and tap the "+" button in the first slot to begin.
2. Add your collected gem to the slot and confirm.
3. Tap **Breeding** to start the process; the button will change to Hatching.
4. Once the egg is ready, tap **Ready** and then tap the egg to reveal your new Monster.
5. Review the Monster's details and confirm to complete the hatching process.

3. HATCHING YOUR FIRST MONSTER

- Access the Earn menu to start tapping for Gold:
 - **1 Tap = 100 Gold / 100 Energy**
- Use **Boosters** to enhance your tapping efficiency:
 - Increase **Gold per Hour**.
 - Raise your **Energy limit**.
- Refill Energy up to 6 times daily for free.

5. COMPLETE QUESTS

- **Main Quests:** One-time tasks that reward progress bonuses.
- **Daily Quests:** Receive 10 unique tasks daily for Gold and Energy rewards.

6. PLAY MINI-GAMES

- **Daily Games:** Win rewards like Stamina for additional gameplay.
- **Mini-Games:** Score as high as possible to convert points into Gold.
 - Play up to 5 times daily (extra plays earned via Daily Game rewards).

7. MINE GEMS

- Visit the Mine menu to gather elemental gems.
- Unlock an additional mining slot with 1,000,000 Gold.
- Monitor your gem inventory directly from the screen.

8. BUILD YOUR MONSTER COLLECTION

- Access the Monster Collection menu to view all the Monsters you've collected.
- Uncollected Monsters will appear as silhouettes, waiting for you to discover them.

9. MANAGE YOUR PROFILE & SETTINGS

- Customize your profile picture.
- Invite and manage friends.
- Link your wallet via TON Connect for digital transactions.
- Adjust sound and Monster animation settings to personalize your experience.

10. MONTHLY LOGIN REWARDS

- Log in daily to claim rewards like Gold and elemental gems.
- Check progress and missed rewards via the Monthly Login menu

11. INVENTORY MENU

When players tap the Inventory button, the system displays all the items in their inventory. For example, it could show the four elemental gems, as illustrated below.

PROFILE INFO

- Players can change their profile picture.
- Claim rewards for participating in the Telegram friend-invite activity.
- View their friend list.
- Invite friends to join.

BALANCE

- Displays the current amount of **Gold** the player possesses.

In Monsterville, every tap brings you closer to riches and rewards. Whether you're slaying monsters, completing quests, or unlocking treasures, your dedication pays off!

Keep tapping, leveling up, and earning as you progress through the game. The more you explore, the greater the rewards—build your fortune, upgrade your abilities, and watch your earnings grow.
