1. Getting Started:

Accessing the NAKA Wallet App:

- To begin, access the NAKA Wallet by starting a conversation with our Telegram bot at <https://t.me/NAKAGamesBot>.

Creating an Account or Logging In:

- If you're new to our platform, follow these steps to create an account:
Initiate a conversation with the NAKA Games bot.
Follow the on-screen instructions provided by the bot to set up your account.
- If you already have an account with us:
Initiate a conversation with the NAKA Games bot.
Select "Sync Account" and provide your login credentials when prompted.

2. Adding Coins:

Making Deposits and Withdrawals:

- To manage your funds, follow these steps:
 - Access the NAKA Games app dashboard.
 - Select "My Wallet."
 - Choose the cryptocurrency you wish to deposit or withdraw.
 - Enter the desired amount (with a minimum limit of 1).
 - Copy the recipient's address and verify both the address and the amount for accuracy.
 - Complete the setup as prompted, ensuring it's done within the specified time frame.
 - Once the deposit is successful, a confirmation popup will appear, indicating "Deposit Success."
 - Be aware that any transactions not completed within the given time frame will be automatically cancelled.
 - Note that you cannot initiate another transaction if there is an ongoing pending transaction.
 - For specific cryptocurrencies such as TON or TRON, you may need to provide a REF ID as per the instructions provided.

3. Checking Your Multicoin Wallet Balance:

- On the app dashboard, you will see the total balance of all your cryptocurrencies.
- Tap on individual coins to view their specific balances.

4. To initiate a game:

- You have the option to purchase tickets using various cryptocurrencies, such as TON, TRX, and more. Follow these steps:
- Click the "Buy assets" button.
- Enter the desired quantity of items you wish to purchase.
- Under "TIER ASSETS," choose the item size (1 USD or 5 USD).
- In the "Assets" section, select the type of cryptocurrency you intend to use for payment.
- To confirm your item purchase, click the "Buy Now" button.

Viewing Transaction History:

- Navigate to the transaction history section to view all your past transactions.

5. Contacting Support:

- If you encounter an issue that cannot be resolved through FAQs, reach out to our support team through the app or our website.
